MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: USAMPS Policy 4.1, Awards Approval

1. REFERENCES.

- a. AR 600-8-22, 25 February 1995, Military Awards
- b. AR 672-20, 29 January 1999, Incentive Awards

2. PURPOSE. To establish the US Army Military Police School (USAMPS) Awards Approval. This policy is effective 1 May 2003.

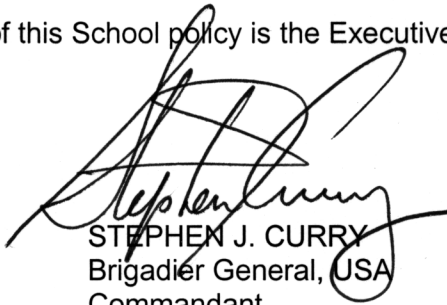

3. POLICY/PROCEDURES.

a. All Awards and Certificates for USAMPS personnel (military and civilian) requiring the Commanding General's approval will be routed through the Regimental Command Sergeant Major and Commandant for their approval first. Adequate time should be allotted to the award processing time-line to account for this.

b. The Commandant will endorse as an Intermediate Authority all military award recommendations, requiring the CG or higher's approval (i.e. Meritorious Service Medal, Legion of Merit). Military awards may be requested by military or civilians of any grade. However, if Part II, Block 14 of the DA Form 638, has been initiated below the Company Command level, Company Commanders will endorse (the 638) by memorandum, thereby leaving at a minimum, one Intermediate Authority (Block 23-25) block free for the Commandant to sign.

c. The S1, 14th Military Police Brigade is responsible for ensuring the DA Form 638, to include Blocks 23-25, is complete before forwarding for the Commandant's approval.

4. PROPONENCY. The proponent of this School policy is the Executive Officer, USAMPS, 3-7801.

STEPHEN J. CURRY  
Brigadier General, USA
